

# Neuroscience Day 2026

---

Thursday, May 7 · Skåne University Hospital Aula, Entégatan 7, Lund

- 8:45 - 9:00 Name badge collection
- 9:00 - 9:10 Introduction by **Martin Garwicz**
- 9:10 - 9:50 Precision prevention and combination therapies for Alzheimer's disease and related dementias  
**Miia Kivipelto** (Karolinska Institutet)  
*Chair: Niklas Mattsson-Carlgren*
- 9:50 - 10:20 Coffee break
- 10:20 - 11:00 Next challenges in blood biomarkers for Alzheimer's disease  
**Laia Montoliu-Gaya** (University of Gothenburg)  
*Chair: Merab Kokaia*
- 11:00 - 11:45 Modelling and measuring behavioral-neural dynamics with AI  
**Mackenzie Mathis** (Swiss Federal Institute of Technology)  
*Chair: Martin Garwicz*
- 11:45 - 13:40 Combined lunch and poster session
- 13:40 - 14:20 How can we make neuroscience research more trustworthy and useful?  
**Gustav Nilsson** (Karolinska Institutet)  
*Chair: Alexander Santillo*
- 14:20 - 15:20 Meet the Speakers with refreshments
- 15:20 - 15:30 Announcement of awards
- 15:30 - 16:30 **2026 SEGERFALK LECTURE**  
Lowering huntingtin for clinical benefit in Huntington's disease  
**Gillian Bates** (University College London)  
*Chair: Åsa Petersén*

2026 Neuroscience Day Organizing Committee

Martin Garwicz | Christine Ekdahl Clementson | Merab Kokaia | Niklas Mattsson-Carlgrén | Johan Mårtensson  
Malin Parmar | Åsa Petersén | Daniella Rylander Ottosson | Megg Garcia-Ryde (event coordinator)
